

UMI FIELD TOUR

★ November 20-21, 2008

Underwater Mining Institute

38th Annual Conference

Hosted by The University of Mississippi

Blues Highway 61

Red Hills Mine

Tinsley Oil Field

Civil War Military Park

Participants will visit a variety of engineering sites while being exposed to the culture and history of Mississippi.

Visitors will travel from the University of Mississippi in Oxford, down historic Blues Highway 61 to Vicksburg for a tour of the U.S. Army Engineering Research and Development Center. Other tour sites include the National Civil War Military Park in Vicksburg, Tinsley Oil Field near Yazoo City, and the North American Coal Red Hills Mine in Ackerman. Trip includes authentic southern meals and transportation to the Memphis International Airport.
